## Questions:

- Have you had an idea for a standard, but not the time to attract attention outside your organization?
- Have you read an interesting article that may be of interest to others in the ASAM Community?
- Do you know exactly whom to contact at other organizations who have similar requirements as you to drive a new standardization activity?

## Our Answer:

1. Submit your ideas to [ideation@asam.net](mailto:ideation@asam.net)
2. The ASAM Office will contact you to clarify details
3. The ASAM Office will post the ideas to [www.asam.net/ideation](http://www.asam.net/ideation)
4. Global membership is invited to comment
5. Enough interest will trigger an Ideation Phase or Proposal Workshop
