Split Discussion Panels

- Panels:
    1. Domain Model – (Moderator: Jakob Kaths)
    2. Language Concepts – (Moderator: Pierre Mai)
    3. Usage and Pragmatics – (Moderator: Florian Bock)

- Use the collaborative tools offered by Zoom (shared whiteboard, annotations, etc.)
- Start discussing the "how to develop"
- Goal: V2.0.0 release in Q2 2021

- Expected Outcome:
    1. **Rough** steps/timeline for the development of 2.0 for the respective domain
    2. Who will bring what into the project proposal (Names!)?
    → Moderators please ensure I (Ben) receive all documentation created in the discussions
