

ASAM OpenSCENARIO V2.0.0

Public Release Candidate (PRC) kickoff webinar

Ben Engel
ASAM e.V.

17th January
14:00 – 17:00 CET

Closing Words

Summary

- Public Release Candidate phase currently planned to run all of Q1 2022
- Regular webinars & workshops to put the standard through its paces!
- Link to the PRC:
https://asam-ev.github.io/public_release_candidate/asam-openscenario/2.0.0/
- Email Address to submit feedback or questions (see the template and guidance on the previous slides):
code+simulation-standard-openscenario-2-0-27-issue-@asam.net
- To sign up to upcoming OpenSCENARIO events, follow us on LinkedIn and register for the implementers forum

As we need to reevaluate interest in this forum, please **re-register** your interest to actively participate via an email to osc2if-signup@asam.net
